11 **SEC. 721. SHORT TITLE.**

12 This subtitle may be cited as the “Department of De-
13 fense-Department of Veterans Affairs Health Resources
14 Sharing and Performance Improvement Act of 2002”.

15 **SEC. 722. FINDINGS AND SENSE OF CONGRESS CON-**
16 **CERNING STATUS OF HEALTH RESOURCES**
17 **SHARING BETWEEN THE DEPARTMENT OF**
18 **VETERANS AFFAIRS AND THE DEPARTMENT**
19 **OF DEFENSE.**

20 (a) FINDINGS.—Congress makes the following find-
21 ings:

22 (1) Federal health care resources are scarce
23 and thus should be effectively and efficiently used.

24 (2) In 1982, Congress, in Public Law 97–174,
25 authorized the sharing of health resources between
26 Department of Defense medical treatment facilities

1 and Department of Veterans Affairs health care fa-
2 cilities in order to allow more effective and efficient
3 use of those health resources.

4 (3) Health care beneficiaries of the Depart-
5 ments of Defense and Veterans Affairs, whether ac-
6 tive servicemembers, veterans, retirees, or family
7 members of active or retired servicemembers, should
8 have full access to the health care and services that
9 Congress has authorized for them.

10 (4) The Secretary of Defense and the Secretary
11 of Veterans Affairs, and the appropriate officials of
12 each of the Departments of Defense and Veterans
13 Affairs with responsibilities related to health care,
14 have not taken full advantage of the opportunities
15 provided by law to make their respective health re-
16 sources available to health care beneficiaries of the
17 other Department in order to provide improved
18 health care for the whole number of beneficiaries.

19 (5) After the many years of support and en-
20 couragement from Congress, the Departments have
21 made little progress in health resource sharing and
22 the intended results of the sharing authority have
23 not been achieved.

24 (b) SENSE OF CONGRESS.—Congress urges the Sec-
25 retary of Defense and the Secretary of Veterans Affairs—

1 (1) to commit their respective Departments to
2 significantly improve mutually beneficial sharing and
3 coordination of health care resources and services
4 during peace and war;

5 (2) to build organizational cultures supportive
6 of improved sharing and coordination of health care
7 resources and services; and

8 (3) to establish and achieve measurable goals to
9 facilitate increased sharing and coordination of
10 health care resources and services.

11 (c) PURPOSE.—It is the purpose of this Act—

12 (1) to authorize a program to advance mutually
13 beneficial sharing and coordination of health care re-
14 sources between the two Departments consistent
15 with the longstanding intent of Congress; and

16 (2) to establish a basis for improved strategic
17 planning by the Department of Defense and Depart-
18 ment of Veterans Affairs health systems to ensure
19 that scarce health care resources are used more ef-
20 fectively and efficiently in order to enhance access to
21 high quality health care for their respective bene-
22 ficiaries.

1 **SEC. 723. REVISED COORDINATION AND SHARING GUIDE-**
2 **LINES.**

3 (a) IN GENERAL.—(1) Section 8111 of title 38,

10 Affairs and the Secretary of Defense shall enter into
11 agreements and contracts for the mutually beneficial co-
12 ordination, use, or exchange of use of the health care re-
13 sources of the Department of Veterans Affairs and the De-
14 partment of Defense with the goal of improving the access
15 to, and quality and cost effectiveness of, the health care
16 provided by the Veterans Health Administration and the

18 partments.

19 “(b) JOINT REQUIREMENTS FOR SECRETARIES OF

24 “(1) Develop and publish a joint strategic vision
25 statement and a joint strategic plan to shape, focus,

7 provided for under subsection (c).

8 “(3) Continue to facilitate and improve sharing
9 between individual Department of Veterans Affairs
10 and Department of Defense health care facilities,

13 at the intraregional and nationwide levels, and (B)
14 that improve the ability of both Departments to pro-
15 vide coordinated health care.

16 “(4) Establish a joint incentive program under
17 subsection (d).

18 “(c) DOD–VA HEALTH EXECUTIVE COMMITTEE.—
19 (1) There is established an interagency committee to be

13 as well as the administrative and procedural guidelines for
14 the operation of the Committee. The two Departments
15 shall share equally the Committee’s cost of personnel and

18 operation of the Committee, including a permanent staff
19 and, as required, other temporary working groups of ap-

1 “(4) The Committee shall submit to the two Secre-
2 taries and to Congress an annual report containing such
3 recommendations as the Committee considers appropriate.
4 The two Secretaries shall implement the Committee’s rec-

7 the recommendation should not be implemented or should
8 be implemented in a modified form. Upon making such
9 a determination, the Secretary making the determination
10 shall submit to Congress notice of the Secretary’s deter-
11 mination and the Secretary’s rationale for the determina-

13 “(5) In order to enable the Committee to make rec-

15 the Committee shall do the following:

16 “(A) Review existing policies, procedures, and
17 practices relating to the coordination and sharing of
18 health care resources between the two Departments.

19 “(B) Identify changes in policies, procedures,
20 and practices that, in the judgment of the Com-
21 mittee, would promote mutually beneficial coordina-
22 tion, use, or exchange of use of the health care re-
23 sources of the two Departments, with the goal of im-
24 proving the access to, and quality and cost effective-
25 ness of, the health care provided by the Veterans

1 Health Administration and the Military Health Sys-
2 tem to the beneficiaries of both Departments.

3 “(C) Identify and assess further opportunities
4 for the coordination and sharing of health care re-
5 sources between the Departments that, in the judg-

9 partment.

10 “(D) Review the plans of both Departments for
11 the acquisition of additional health care resources,

14 such plans on further opportunities for the coordina-
15 tion and sharing of health care resources.

16 “(E) Review the implementation of activities
17 designed to promote the coordination and sharing of
18 health care resources between the Departments. To
19 assist in this effort, the Committee chairman, under
20 procedures jointly developed by the Secretaries of
21 both Departments, may task the Inspectors General
22 of either or both Departments.

23 “(d) JOINT INCENTIVES PROGRAM.—(1) Pursuant to

3 The program shall be administered by the Committee es-

3 “(B) Each such report shall describe activities carried
4 out under the program under this subsection during the
5 preceding fiscal year. Each report shall include at least

8 Committee, and the funds so expended by such ini-

12 ficiaries, improvements in the quality of care re-
13 ceived by those beneficiaries, and efficiencies gained
14 in delivering services to those beneficiaries.

15 “(ii) Other matters of interest, including rec-
16 ommendations from the review team to make legisla-
17 tive improvements to the program.

18 “(4) The program under this subsection shall termi-

25 contracts and agreements for coordination and sharing

3 discussion of the justification for doing so; and

4 (B) 15 days have elapsed following the date of
5 the notification.

6 (3) The Secretary may not, under the authority pro-

16 (1) the report required to be submitted in fiscal
17 year 2002 under section 1308(a) of the Floyd D.
18 Spence National Defense Authorization Act for Fis-
19 cal Year 2001 (as enacted into law by Public Law
20 106–398; 114 Stat. 1654A–341); and

21 (2) the update for the multiyear plan required
22 to be submitted for fiscal year 2001 under section
23 1205 of the National Defense Authorization Act for
24 Fiscal Year 1995 (Public Law 103–337; 22 U.S.C.

6 into law by Public Law 106–398; 114 Stat. 1654A–341)
7 is amended by inserting at the end the following new para-
8 graph:

9 “(6) To the maximum extent practicable, a de-
10 scription of how revenue generated by activities car-
11 ried out under Cooperative Threat Reduction pro-

14 **SEC. 1305. PROHIBITION AGAINST USE OF FUNDS FOR SEC-**
15 **OND WING OF FISSILE MATERIAL STORAGE**
16 **FACILITY.**

21 **SEC. 1306. SENSE OF CONGRESS AND REPORT REQUIRE-**
22 **MENT REGARDING RUSSIAN PROLIFERATION**
23 **TO IRAN.**

24 (a) SENSE OF CONGRESS.—It is the sense of Con-
25 gress that—

1 (1) Russian proliferation to Iran constitutes a
2 clear threat to the national security and vital inter-
3 ests of the United States and undermines the pur-
4 pose and goals of Cooperative Threat Reduction pro-
5 grams;

6 (2) such proliferation consists primarily of nu-
7 clear and missile technology, goods, and know-how,
8 and dual-use items that could contribute to the de-
9 velopment of weapons of mass destruction and bal-
10 listic missiles;

11 (3) because of ongoing Russian assistance, the
12 intelligence community estimates that Iran could at-
13 tempt to launch an intercontinental ballistic missile
14 by 2005, and could possess a nuclear weapon by
15 2010;

16 (4) Russian proliferation is providing Iran with
17 the capability to strike United States military forces,
18 interests, allies, and friends in the region with weap-
19 ons-of-mass-destruction-tipped ballistic missiles;

20 (5) the issue of Russian proliferation to Iran
21 has been raised by United States officials at the
22 highest levels of the Russian Government;

23 (6) Iran has long been identified as a State
24 sponsor of terrorism by the United States because of
25 its support of foreign terrorist organizations, and

1 the combination of terrorist organizations and weap-
2 ons of mass destruction constitutes a grave threat to
3 the national security of the United States;

4 (7) Russian proliferation to Iran raises serious
5 questions regarding the intentions of the Russian
6 Government, and its commitment to nonproliferation
7 and improved relations with the United States;

8 (8) Russian proliferation to Iran could under-
9 mine Congressional support for Cooperative Threat
10 Reduction programs; and

11 (9) the President must safeguard United States
12 national security and demonstrate United States re-
13 solve and commitment to stopping the proliferation
14 of weapons of mass destruction and ballistic missiles
15 through clear, firm, and coherent policies and strate-
16 gies that employ the full range of diplomatic and
17 economic tools at his disposal, both positive and neg-
18 ative, to halt the serious and continuing problem of
19 Russian proliferation.

20 (b) REPORT.—Not later than March 15 of 2003
21 through 2009, the President shall submit to Congress a
22 report (in unclassified and classified form as necessary)
23 describing in detail Russian proliferation of weapons of
24 mass destruction and ballistic missile goods, technology,
25 and know-how, and of dual-use items that may contribute

1 to the development of weapons of mass destruction and
2 ballistic missiles, to Iran and to other countries during the
3 year preceding the year in which the report is submitted.

4 The report shall include—

5 (1) a net assessment prepared by the Office of
6 Net Assessment of the Department of Defense; and

7 (2) a detailed description of the following:

8 (A) The number, type, and quality of di-
9 rect and dual-use weapons of mass destruction
10 and ballistic missile goods, items, and tech-
11 nology being transferred.

12 (B) The form, location, and manner in
13 which such transfers take place.

14 (C) The contribution that such transfers
15 could make to the recipient States' weapons of
16 mass destruction and ballistic missile programs,
17 and how soon such States will test, possess, and
18 deploy weapons of mass destruction and bal-
19 listic missiles.

20 (D) The impact that such transfers have,
21 or could have, on United States national secu-
22 rity, on regional friends, allies, and interests,
23 and on United States military forces deployed
24 in the region to which such transfers are being
25 made.

1 (E) The actions being taken by the United
2 States to counter and defend against capabili-
3 ties developed by the recipient States as a re-
4 sult of such transfers.

5 (F) The strategy, plan, or policy incor-
6 porating the full range of policy tools available
7 that the President intends to employ to halt
8 Russian proliferation, the rationale for employ-
9 ing such tools, and the timeline by which the
10 President expects to see material progress in
11 ending Russian proliferation of direct and dual-
12 use weapons of mass destruction and missile
13 goods, technologies, and know-how.

14 **SEC. 1307. PROHIBITION AGAINST USE OF COOPERATIVE**
15 **THREAT REDUCTION FUNDS OUTSIDE THE**
16 **STATES OF THE FORMER SOVIET UNION.**

17 No Cooperative Threat Reduction funds authorized
18 or appropriated for any fiscal year may be used for threat
19 reduction projects, programs, or activities in countries
20 other than the States of the former Soviet Union.

21 **SEC. 1308. LIMITED WAIVER OF RESTRICTION ON USE OF**
22 **FUNDS.**

23 (a) **WAIVER AUTHORITY.**—(1) The restriction de-
24 scribed in subsection (d)(5) of section 1203 of the Na-
25 tional Defense Authorization Act for Fiscal Year 1994

1 (Public Law 103–160; 107 Stat. 1779; 22 U.S.C. 5952)
2 shall not apply with respect to United States assistance
3 to Russia if the President submits to Congress a written
4 certification that waiving the restriction is important to
5 the national security interests of the United States.

6 (2) The authority under paragraph (1) shall expire
7 on December 31, 2005.

8 (b) REPORT.—Not later than 30 days after the date
9 that the President applies the waiver authority under sub-
10 section (a), the President shall submit to Congress a re-
11 port (in classified and unclassified form as necessary)
12 describing—

13 (1) the arms control agreements with which
14 Russia is not committed to complying, the form or
15 forms of noncommittal, and detailed evidence of
16 such noncommittal;

17 (2) why use of the waiver of authority was im-
18 portant to protect national security interests; and

19 (3) a strategy, plan, or policy incorporating the
20 full range of policy tools available to the President
21 for promoting Russian commitment to, and compli-
22 ance with, all relevant arms control agreements.

1 **SEC. 1309. LIMITATION ON USE OF FUNDS UNTIL SUBMIS-**
2 **SION OF REPORT ON DEFENSE AND MILI-**
3 **TARY CONTACTS ACTIVITIES.**

4 Not more than 50 percent of fiscal year 2003 Cooper-
5 ative Threat Reduction Funds may be obligated or ex-
6 pended for defense and military contacts activities until
7 the Secretary of Defense submits to Congress a report de-
8 scribing in detail the operation and success of such activi-
9 ties carried out under Cooperative Threat Reduction pro-
10 grams during fiscal years 2001 and 2002. Such report
11 shall include a description of—

12 (1) the amounts obligated or expended for such
13 activities;

14 (2) the purposes, goals, and objectives for which
15 such amounts were obligated and expended;

16 (3) a description of the activities carried out,
17 including the forms of assistance provided, and the
18 justification for each form of assistance provided;

19 (4) the success of each activity, including the
20 goals and objectives achieved for each;

21 (5) a description of participation by private sec-

26 considers relevant to provide a complete description

1 of the operation and success of activities carried out
2 under Cooperative Threat Reduction programs.

3 **TITLE XIV—UTAH TEST AND**
4 **TRAINING RANGE**

5 **SEC. 1401. DEFINITION OF UTAH TEST AND TRAINING**
6 **RANGE.**

7 In this title, the term “Utah Test and Training
8 Range” means those portions of the military operating
9 area of the Utah Test and Training Area located solely
10 in the State of Utah. The term includes the Dugway Prov-
11 ing Ground.

12 **SEC. 1402. MILITARY OPERATIONS AND OVERFLIGHTS AT**
13 **UTAH TEST AND TRAINING RANGE.**

14 (a) FINDINGS.—The Congress finds the following:

15 (1) The testing and development of military
16 weapons systems and the training of military forces
17 are critical to ensuring the national security of the
18 United States.

19 (2) The Utah Test and Training Range is a
20 unique and irreplaceable national asset at the core
21 of the test and training mission of the Department
22 of Defense.

23 (3) Areas designated as wilderness study areas
24 are located near lands withdrawn for military use
25 and are beneath special use airspace critical to the

1 support of military test and training missions at the
2 Utah Test and Training Range.

3 (4) Continued unrestricted access to the special
4 use airspace and lands that comprise the Utah Test
5 and Training Range is a national security priority
6 and is not incompatible with the protection and
7 proper management of the natural, environmental,
8 cultural, and other resources of such lands.

9 (b) OVERFLIGHTS.—(1) Nothing in this title, the
10 Wilderness Act (16 U.S.C. 1131 et seq.), or other land
11 management laws generally applicable to federally des-
12 ignated wilderness areas or wilderness study areas in the
13 Utah Test and Training Range shall restrict or preclude
14 low-level overflights, low-level military overflights and op-
15 erations of military aircraft, helicopters, unmanned aerial
16 vehicles, military overflights or military overflights and op-
17 erations that can be seen or heard within those areas.

18 (2) Paragraph (1) precludes any restriction regarding
19 altitude or airspeed, noise level, supersonic flight, route
20 of flight, time of flight, seasonal usage, or numbers of
21 flights of any military aircraft, helicopters, unmanned aer-
22 ial vehicles, missiles, aerospace vehicles, and other military
23 weapons systems over federally designated wilderness
24 areas or wilderness study areas in the Utah Test and
25 Training Range.

1 (3) In this subsection, the term “low-level” includes
2 any flight down to and including 10 feet above ground
3 level.

4 (c) SPECIAL USE AIRSPACE AND TRAINING
5 ROUTES.—Nothing in this title, the Wilderness Act, or
6 other land management laws generally applicable to feder-
7 ally designated wilderness areas or wilderness study areas
8 in the Utah Test and Training Range shall restrict or pre-
9 clude the designation of new units of special use airspace,
10 the expansion of existing units of special use airspace, or
11 the use or establishment of military training routes over
12 federally designated wilderness areas or wilderness study
13 areas in the Utah Test and Training Range.

14 (d) COMMUNICATIONS AND TRACKING SYSTEMS.—
15 Nothing in this title, the Wilderness Act, or other land
16 management laws generally applicable to federally des-
17 ignated wilderness areas or wilderness study areas in the
18 Utah Test and Training Range shall be construed to re-
19 quire the removal of existing communications, instrumen-
20 tation, or electronic tracking systems from these areas, to
21 prevent any required maintenance of such systems, or to
22 prevent the installation of new communication, instrumen-
23 tation, or other equipment necessary for effective testing
24 and training to meet military requirements so long as the
25 installation and maintenance of such systems do not re-

1 quire construction of any permanent roads in any federally
2 designated wilderness area or wilderness study area.

3 (e) EMERGENCY ACCESS AND RESPONSE.—(1) Noth-
4 ing in this title, the Wilderness Act, or other land manage-
5 ment laws generally applicable to federally designated wil-
6 derness areas or wilderness study areas in the Utah Test
7 and Training Range shall restrict or preclude timely ac-
8 cess to any area necessary to respond to emergency situa-
9 tions. Immediate access, including access for emergency
10 and rescue vehicles and equipment, shall not be restricted
11 if human life or health may be in jeopardy.

12 (2) Not later than 120 days after the date of the en-
13 actment of this Act, the Secretary of the Air Force and
14 the Secretary of Interior shall enter into a memorandum
15 of understanding providing formal procedures for access
16 to the federally designated wilderness areas or wilderness
17 study areas that are located beneath airspace of the Utah
18 Test and Training Range, which may be necessary to re-
19 spond to emergency situations, to rescue downed aircrew
20 members, to investigate accident locations, to recover mili-
21 tary aircraft or other weapons systems, and to restore ac-
22 cident locations. Military operations in the Utah Test and
23 Training Range shall not be limited or restricted in any
24 way pending completion of the memorandum of under-
25 standing.

1 (f) CONTROL OR RESTRICTION OF PUBLIC AC-
2 CESS.—(1) When required by national security or public
3 safety, public access to federally designated wilderness
4 areas or wilderness study areas in the Utah Test and
5 Training Range that are located beneath airspace des-
6 ignated as special use airspace may be controlled, re-
7 stricted, or prohibited entirely. Such controls, restrictions,
8 or prohibitions shall remain in force for the minimum du-
9 ration necessary. The Secretary of the Air Force shall pro-
10 vide advance notice of such controls, restrictions, or prohi-
11 bitions to the Secretary of the Interior.

12 (2) Not later than 120 days after the date of the en-
13 actment of this Act, the Secretary of the Air Force and
14 the Secretary of Interior shall enter into a memorandum
15 of understanding prescribing procedures for implementing
16 access controls, restrictions, or prohibitions. Military oper-
17 ations in the Utah Test and Training Range shall not be
18 limited or restricted in any way pending completion of the
19 memorandum of understanding.

20 **SEC. 1403. DESIGNATION AND MANAGEMENT OF LANDS IN**
21 **UTAH TEST AND TRAINING RANGE.**

22 (a) DESIGNATION.—The following Federal lands that
23 are in the Utah Test and Training Range are hereby des-

11 of the boundaries of the areas identified in
12 paragraph (1).

13 (b) PLANNING PROCESS FOR FEDERAL LANDS IN
14 UTAH TEST AND TRAINING RANGE.—(1) The Secretary
15 of the Interior shall not continue the plan amendment
16 process initiated pursuant to section 202 of Public Law
17 94–579 (43 U.S.C. 1712) and published in the Federal
18 Register on March 18, 1999 (64 Fed. Reg. 13439), for
19 Federal lands located in the Utah Test and Training
20 Range.

21 (2) The Secretary of the Interior shall not develop,
22 maintain, or revise land use plans pursuant to section 202
23 of Public Law 94–579 (43 U.S.C. 1712) for Federal lands
24 located in the Utah Test and Training Range without the
25 prior concurrence of the Secretary of the Air Force and

1 the Commander-in-Chief of the military forces of the State
2 of Utah.

3 (c) WITHDRAWAL.—Subject to valid existing rights,
4 the Federal lands in the areas designated as wilderness
5 by this title are hereby withdrawn from all forms of entry,
6 appropriation, or disposal under the public land laws, from
7 location, entry, and patent under the United States min-
8 ing laws, and from disposition under all laws pertaining
9 to mineral and geothermal leasing, and mineral materials,
10 and all amendments to such laws.

11 (d) WATER.—Nothing in this title or any action
12 taken pursuant to this title shall constitute an express or
13 implied reservation of surface or groundwater by any per-
14 son, including the United States. Nothing in this title af-
15 fects any valid existing water rights in existence before
16 the date of the enactment of this Act, including any water
17 rights held by the United States. If the United States de-
18 termines that additional water resources are needed for
19 the purposes of this title, the United States shall acquire
20 such rights in accordance with the water laws of the State
21 of Utah.

22 (e) MAP AND DESCRIPTION.—(1) As soon as prac-
23 ticable after the date of the enactment of this title, the
24 Secretary of Interior shall transmit a map and legal de-
25 scription of the areas designated as wilderness by this title

1 to the Committee on Resources of the House of Represent-
2 atives and the Committee on Energy and Natural Re-
3 sources of the Senate.

4 (2) The map and legal description shall have the
5 same force and effect as if included in this title, except
6 that the Secretary of Interior may correct clerical and ty-
7 pographical errors in the map and legal description.

8 (3) The map and legal description shall be on file and
9 available for public inspection in the office of the Director
10 of the Bureau of Land Management and the office of the
11 State Director of the Bureau of Land Management in the

13 (f) ADMINISTRATION.—(1) Subject to valid existing
14 rights and this title, the areas designated as wilderness
15 in this title shall be administered by the Secretary of Inte-
16 rior in accordance with the provisions of the Wilderness
17 Act, except that any reference in such provisions to the
18 effective date of the Wilderness Act (or any similar ref-
19 erence) shall be deemed to be a reference to the date of
20 the enactment of this Act.

21 (2) Any lands or interest in lands within the bound-
22 aries of an area designated as wilderness by this title that
23 is acquired by the United States after the date of the en-
24 actment of this Act shall be added to and administered

1 as part of the wilderness area within which the acquired
2 lands or interest in lands are located.

3 (3) The Secretary of the Interior may offer to acquire
4 lands and interest in lands located within the areas des-
5 ignated as wilderness by this title. Such lands may be ac-
6 quired at fair market value under this subsection by pur-
7 chase from willing sellers, by exchange for lands of ap-
8 proximately equal value, or by donation.

9 (4) In furtherance of the purposes and principles of
10 the Wilderness Act, management activities to maintain or
11 restore fish and wildlife populations and the habitats to
12 support such populations may be carried out within the
13 areas designated as wilderness by this title where con-
14 sistent with relevant wilderness management plans, in ac-
15 cordance with appropriate policies and guidelines such as
16 those set forth in appendix B of the Report of the Com-
17 mittee on Interior and Insular Affairs to accompany H.R.
18 2570 of the 101st Congress (H. Rept. 101–405).

19 (5) Within the areas designated as wilderness by this
20 title, the grazing of livestock, where established before the
21 date of the enactment of this Act, shall be permitted to
22 continue subject to such reasonable regulations, policies,
23 and practices as the Secretary of the Interior considers
24 necessary, as long as such regulations, policies, and prac-
25 tices fully conform with and implement the intent of Con-

gress regarding grazing in such areas, as such intent is expressed in the Wilderness Act, section 101(f) of Public Law 101–628, and House Report 101–405, Appendix A.

(6) Congress does not intend for the designation of the wilderness in this title to lead to the creation of protective perimeters or buffer zones around any area designated as wilderness by this title. The fact that nonwilderness activities or uses can be seen or heard within the areas designated as wilderness by this title shall not, of itself, preclude such activities or uses up to the boundary of that wilderness.

(7) Until completion of a full revision of the Pony Express Area Resource Management Plan, dated January 12, 1990, by the Salt Lake Field Office of the Bureau of Land Management, the Secretary of Interior shall not grant or issue any authorizations pursuant to section 501(a)(6) of Public Law 94–579 (43 U.S.C. 1761(a)(6)) upon Federal lands identified as inventory units UTU-020-088, UTU-020-095, UTU-020-096, and UTU-020-100, as generally depicted on the map entitled “Wilderness Inventory, State of Utah”, dated August 1979.
